A faded, black and white photograph of a classical building facade. The building features a prominent triangular pediment supported by several columns. The image is intentionally blurred and has a low-contrast, vintage aesthetic. The text is overlaid on the central part of the image.

than a dream remembered –  
a civilization gone with the wind*

*– Ben Hecht*

## Reddy To Rock

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more.

As wholly wasted, wholly vain,  
If, rising on its wrecks, at last  
To something nobler we attain.  
— W. W. Longfellow*

*John Brown's body lies a-mouldering  
in the grave;  
His soul goes marching on!*

— to a people who have no refrigerators.*  
— Sukarno

*L'etat, c'est moi! — Louis XIV*
